DIGITAL & LARGE FORMAT

We are proud to offer state-of-the-art digital printing services for all your printing needs. Our digital printing technology allows for fast and efficient production, high-quality prints with vibrant colors and crisp text, and the ability to print on a variety of materials. Whether you need short run prints or large volume prints, our digital printing services can accommodate your needs.

We also offer personalized solutions, including variable data printing, which enable us to create unique and targeted marketing materials for your business or organization. Trust us for your digital printing needs, and let us help you bring your ideas to life.

Over the years we've created and attended literally many professional and corporate events, of all shapes and sizes in every industry sector. We live and breathe events, and that's why we understand better than anyone how to help clients communicate whatever they need to say, to whoever they need to reach.

SK can cover everything you need to conduct a good show. Our experts will ensure that the final look of your stand is same as you have finalized and envisioned in the first place. They will make certain that there are no last-minute hitches.

RICOH Pro C7200X - 5 Color

Our Ricoh Pro C7200sx Series is a single-unit powerhouse, designed to meet the market's ever changing needs and add extra value to your print services with fifth colour and add impact to your print.

HP Latex 370

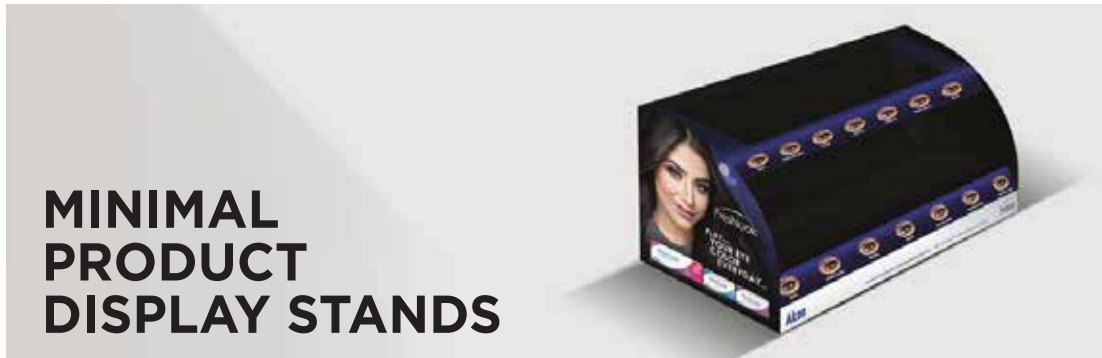

When it comes to banners, signage and displays, bigger is most definitely better. We can print indoor and outdoor banners on a variety of materials.
